FLOOR PLAN DESCRIPTION:

The floor plan illustrates a rectangular roof terrace with a total area of 840.12 ft² (78.05 m²). The layout includes two diamond-shaped tables with chairs in the upper section, a lounge area with a sofa and armchairs in the lower-left, and a planter box in the lower-right. A staircase is located on the right side, and a door is marked with a cyan outline. The plan is annotated with numerous dimensions in feet and inches, such as 12.49 [40'-11.93"] for the overall width and 7.76 [25'-5.71"] for the overall length. A north arrow is positioned in the top right corner.

FLOOR PLAN SCHEME

A floor plan scheme showing two distinct areas, labeled 1 and 2, separated by a wall. Area 1 is the left-hand section, filled with diagonal hatching and marked with a red '1' that has a red underline. Area 2 is the right-hand section, which is white and marked with a red '2' that has a red underline. A central vertical wall divides the two areas, and a small horizontal wall segment is located at the bottom center, connecting the two main sections.
