

Diagram of a four-story building. The floors are labeled on the right: ROOF, N2, N1, and PB. The second floor (N2) is highlighted in black, indicating a fire or other incident. The building is situated on a green base representing the ground.

This is a detailed architectural floor plan of a large, symmetrical building, likely a school or institutional structure. The plan features a central corridor system with multiple rooms, including classrooms, offices, and a large central hall. The layout is highly organized, with rooms arranged in a grid-like fashion around the central axis. The drawing is a black and white line art representation.
